EXTREMELY URGENT,

PLEASE, OPPOSE RMS AND COMMERCIAL WHALING.

PLEASE IMPOSE TRADE SANCTIONS ON JAPAN , NORWAY.

"There should be no more negotiations, meetings, warnings, or  
pleadings ---the last eight years have conclusively demonstrated  
one thing : Such tactics do nothing but make the situation worse !  
Norway is saying, 'I dare you' to the BUSH Administration, and  
with any luck they have finally supplied the rope with which to  
hang themselves. SANCTIONS NOW, MR. PRESIDENT."  
----Paul Watson, a world leading expert on Whales issues.

Dear Honorable Legislator ,

THE EXPLOSIVE HARPOONS FIRED INTO THE BRAIN  
WITH VIDEOS SHOWING MINKE WHALES  
"THRASHING IN BLOODY WATER"  
FOR UP TO 20 MINUTES BEFORE DYING .....

The IWC (International Whaling Commission) is having an intense  
meeting at Monaco right now , Feb. 7 and Feb. 8 , 2001 to discuss  
RMS (Revised Management Scheme) for RESUMPTION OF  
COMMERCIAL WHALING which has been pressed especially by  
Japan and Norway to have RMS .

Norwegian government has announced that it will approve the  
EXPORT OF MINKE WHALE and whale blubber and meat just  
a couple of weeks before this IWC special meeting in Monaco. The  
country actually resumed commercial whaling in 1993 and has  
announced its intentions to kill upwards of 2000 whales each year.

(see Reference # 1(a) )

The Japan and Norway have skirted via legal loopholes. Two countries killed more than 1000 whales (mostly Minke whales) last year. Japan created a "Scientific" whaling program, and its fleet annually kills hundreds of whales. Then the meat and blubber are sold at a high price on the domestic market. In year 2000, Japan killed not only minke whales but also very endangered SPERM and BRYDE'S WHALES. (see Reference # 5, # 6 and # 1 )

Any "trade" would be disastrous for whales around the world. Moreover, Norwegian trade would provide the cover for pirate whalers who catch all species regardless of how rare they are. In 1983 MINKE WHALES were included in Appendix I of the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES). This designation BANS international commercial trade in an agreed list of endangered species. (see Greenpeace Reference # 4 )

Norway and Japan barbaric and cruel behavior is truly horrifying and absolutely un-acceptable for any human being. So far, there is NO KIND OF MEANINGFUL PENALTY to both barbaric countries. The IWC has NO POLICING POWER whatsoever.

The situation is extremely URGENT ! PLEASE urge President Bush and U.S. Congress for the following THREE URGENT PLEAS :

1: Immediately CLEARLY TELL THE WORLD U.S. STRONG OPPOSITION TO COMMERCIAL WHALING and RMS (The Revised Management Scheme).

In brief , the RMS aims to establish a set of rules that would be used if the IWC agreed to allow countries to hunt whales for commercial purposes again. (see Reference # 1 (b) and # 2 (a)).

Currently, in the IWC Special meeting in Monaco, Japan, Norway, the US, Peru and others are urged to give up and follow the example of already 14 countries (i.a. Germany, Great Britain, and France), who protested against the trial to revive commercial whaling through the RMS scam.

It is a shame that US is supposed to be the strongest leader in the world to lead all of the Anti-whaling countries to oppose the commercial whaling has so far did not express its clear message on ANTI-WHALING position ! All of the Anti-Whaling countries are looking up to the United States. Please don't let the world be disappointed at U.S. PLEASE, U.S. MUST STAND UP HIGH AND SHOW THE WORLD ITS LEADING POSITION IN ANTI-WHALING AGAIN !

2: PLEASE , IMPOSE TRADE SANCTIONS AGAINST JAPAN AND NORWAY NOW :

This is to show to the American people and the World that our President is taking seriously the plight of the World's WHALES.

(The poll shows nearly all of the Americans OPPOSE WHALING.)

By imposing TRADE SANCTIONS against Japan and Norway.

The US President can send the strongest message to Japan and Norway that the United States and the majority of the world's nations want to END TO COMMERCIAL WHALING. (see Reference # 1 (c) )

Paul Watson, a most authoritative world expert on Whales issues and the President of Sea Shepherd International , He urged President George W. Bush :

"There should be no more negotiations, meetings, warnings, or pleadings ---the last eight years have conclusively demonstrated one thing : Such tactics do nothing but make the situation worse. Norway is saying, 'I dare you' to the BUSH Administration, and with any luck they have finally supplied the rope with which to hang themselves. SANCTIONS NOW, Mr. President. "  
(see Reference # 2 and # 3).

3 : PLEASE OPPOSE A PERMANENT JAPANESE SEAT ON THE  
U.N. SECURITY COUNCIL :

All conservation societies including GREENPEACE and HSUS believe that a nation which undermines an international conservation treaty is NOT a suitable candidate for a permanent seat on the UN SECURITY COUNCIL.

(see Reference # 4 )

At this most dangerous , critical time for world giant sentient Whales, We would be very grateful to you for your kindness, compassion and urgent help for Whales Plight in the world.

Sincerely Yours,  
M. Fuducia,  
J. Lee,  
H. Frieda  
M. Schreiber  
(US Constituents) .
